

Richmond Zen COVID-19 Protocol

- Protect yourself and others with full vaccination and current booster. Vaccination is required for all in-person events (self-reported).
- Stay home if you have COVID-19, flu, or cold symptoms.
- If you test positive for COVID-19, please inform the Richmond Zen board of directors.
- Refer to the Three-tiered Risk Level Protocol to know what actions are required to attend events. The risk level will be posted on our website and in the Ekoji entryway.
- The Richmond Zen board of directors sets the risk level following guidance from public health agencies and infectious disease experts. However, there is never a risk-free condition. Each person must determine their level of acceptance and respect other peoples' choices.
